MARIN VOICE

Past *Stepping Out* model, volunteer, and a member of the 2010

Stepping Out Executive Committee, Lisa Stranko-Seiler submitted a [letter](#) to the Marin IJ expressing her concerns about the cutbacks in funding for mammograms for women in the state funded California Detection Program - Every Woman Counts. The letter was published on July 30. A bill to restore the Every Woman Counts program was sent to the Senate Appropriations Committee on August 2nd. [Read more](#). TIDBITS

Special thanks to the San Francisco [Institute of Esthetics & Cosmetology](#), a Paul Mitchell Partner School, for donating their make-up and hair styling services to get our *Stepping Out* models ready for their glamorous runway appearance.

Did you know that proceeds from the Meadow Club women's golf tournaments have supported the *Foundation* to the tune of nearly \$35,000 for the past four years? And that Mill Valley graphic designer, Peg Baumert, donated her talents and created the 2010 *Stepping Out* invitation and program. This is her second year working with the *Foundation*. Thanks to all!

Keep a lookout for *Foundation* news and event articles in Bay Area publications over the next couple of months - thanks to the great work of Hamilton Ink Publicity & Media Relations. View a sampling of articles.
