## Our Thanksgiving message...

*To Celebrate Life Breast Cancer Foundation* is grateful for each and every one of our generous donors, sponsors, volunteers and supporters. You have helped so many people in so many ways, and we thank you! Enjoy this wonderful celebration of family, friends and abundance.

If you have *Foundation* updates or meeting info to submit for consideration for the next issue, send to:

## DR. CHERYL EWING JOINS OUR BOARD OF DIRECTORS

Join us in welcoming Dr. Cheryl Ewing to the Board of Directors. A long-time supporter of *To Celebrate Life Breast Cancer Foundation* and a member of our Grants Committee, Dr. Ewing is Medical Director of the Multidisciplinary Breast Program at Marin General Hospital as well as a full-time faculty member at UCSF. "Dr. Ewing brings her knowledge of breast cancer care throughout the Bay Area. Her participation will help keep us informed on emerging breast cancer patient and survivor needs, enabling us to address

those needs through our grants," said Board President Chris Brettingen.

## FACES OF THE FOUNDATION

Each month we'll feature one of our dedicated volunteers, someone whose behind the scenes efforts contribute enormously to the *Foundation's* success. This month we celebrate **Martha Auld**, a 10-year volunteer with *To Celebrate Life* and presently the Technical Advisor to the Board.

For three years Martha was a member of the Board where she used her corporate work experience to help the *Foundation* operate more efficiently. While Treasurer, she organized the *Foundation's* finances and used her tech know-how to set up our online database. An invaluable advisor to the Board, she continues to guide decisions on technology issues, helps train volunteers in the use of software programs, manages the database of approximately 9,000 contacts and supports the *Stepping Out*

reservations team. When she isn't focusing on technology, Martha may be found teaching knitting to breast cancer survivors, quilting or sewing for her own enjoyment. "I like to stay busy...love to create things," she says.

## IT TAKES A VILLAGE...

As a volunteer-based organization, *To Celebrate Life* is always looking for talented people to help us achieve our goals. With three major fundraisers each year, there are all kinds of opportunities to make a difference. For example - do you know an administrative assistant, event planner, web designer or data entry person who would love to join our village? Then please direct them (or anyone else who would like to get involved) to our website where they can fill out a [Volunteer Form](#). And watch for the announcement of our January Volunteer Kick-off in the December issue of *in the Loop*.
