A Love Match...Rally returns.

A bigger and better *Rally* tennis tournament returns on May 23rd. *To Celebrate Life Breast Cancer Foundation*, partnering with Youth Tennis Advantage, introduces ***Rally for Health and Hope*** - a Love Match for Bay Area Children and Adults. The new event includes a women's round robin tournament in the morning followed by mixed doubles in the late afternoon. The tournament will take place at several southern Marin locations, and Harbor Point will host a luncheon for the morning players and cocktails at twilight for mixed doubles. Faces of the *Foundation*

This month we salute our new Volunteer Coordinator, Heidi Woodhull. Heidi joined the *To Celebrate Life* family last year as a *Stepping Out* volunteer and model. She then was invited to help coordinate volunteers for the *Foundation* and now is a vital part of the team. Her organizational skills, passion and attention to detail make her the perfect volunteer - who better to coordinate others who generously give their time and talent to the *Foundation*. After a 20-year career with Montgomery Securities, Heidi is happy to be cooking and baking, sailing and hiking as well as volunteering.

Volunteer Kick-off Scored a Touchdown!

Our hospitality sponsor and long-time donor, the Acqua Hotel, hosted the annual January volunteer kick-off and it was a huge success! Motivated by speakers like Mike Belling of *Tee It Up* and Sue Carlomagno of *Stepping Out*, volunteers signed up for multiple committees and events. And the sugar rush was felt by all as Heidi Woodhull, the Volunteer Coordinator and now our resident baker, provided an amazing array of sweets. "Even though we had a great response, there are still plenty of volunteer opportunities," says Heidi. [Join our volunteer family now!](#)

In addition to designating *To Celebrate Life* as the beneficiary of its "You Can Make a Difference Program" and hosting many of our events, the Acqua Hotel is offering value rates. Just mention *To Celebrate Life* when reserving your next stay and receive 15% off the Best Available Rate. [Book online](#) and use the code: Life, or call 1-888-662-9555. Offer is valid throughout 2011.

The gift of giving...

Periodically, we will feature stories of those who have benefited from our grants program. Your gift of time, talent and dollars help in so many ways. [Her odd amazing gift to me](#) - a story by Jennifer Sweeney, a massage therapist at The Institute of Health and Healing, one of our grantees.

Tidbits

Celebration Circle - Your legacy gift can help ensure our continuing capacity to support women and men throughout the Bay Area who are coping with breast health issues.
