The challenge features men's and women's singles, doubles and mixed, headed by the USA's World No. 1 Men's Doubles Team, **Mike and Bob Bryan**, TV Commentator Justin Gimelstob, Wimbledon Champions Lindsay Davenport, Gigi Fernandez and Corina Morariu.

On the opposite side of the world are No. 1 South African player Wayne Ferreira, Bahamas doubles specialist Mark Knowles, former No. 1 doubles player from Australia, Rennae Stubbs, Wimbledon Champion from Spain Conchita Martinez and WTA Tour player Liga Dekmeijere of Latvia. Tee It Up Golfers enjoyed a beautiful day on the green

After many months of planning by the Tee It Up Executive Committee and dedicated volunteers, golfers enjoyed the 9th annual tournament on June 25 at the Marin

County Club. The event was tons of fun and raised even more funds than last year. Now that is hole-in-one status!

Thanks to all participants, sponsors, donors and volunteers for your generous support.

Tee It Up volunteers help create a successful silent auction.

Women's soccer team **Kicks Cancer**

More thanks go out to North Bay F.C. Wave for partnering with To Celebrate Life Breast Cancer Foundation. The team, whose motto is "Women athletes making a difference", generously donated 50% of the proceeds from the June 16th game against the Storm held at Tam High School in Mill Valley.

Former model raises funds for To Celebrate Life

Our community grants program is flourishing with the help of Suzie Carter, Stepping Out model (class of 2007), and her friends. Proceeds from their Celebrity Hostess Night fundraiser at the Marin Country Club last month will be donated to the Foundation grants program. Kudos Suzie and friends!

How **YOUR DONATIONS** Help

Adopt A Family of Marin, a 2012 Grantee

For 22 years, Adopt A Family of Marin has prevented homelessness and provided stability for poor and low-income families in crisis.

The grant from To Celebrate Life will help the organization support Marin parents coping with the many challenges of breast cancer. They provide assistance with rent, security deposits, food vouchers, utility payments and counseling. They also offer emotional support and assistance with navigation of the social service landscape, when appropriate.
